

# EARLY CHILDHOOD ACADEMY

## FULL DAY Preschool for 3 & 4 year olds

St. Matthew Parish School will provide a unique Christ centered learning environment for young children in an interactive and supportive atmosphere where a growing awareness of God, self, and the world can be nurtured and fostered.

Our program incorporates best practices which support learning language and vocabulary, phonological awareness, knowledge of the alphabet, concepts of print, read-alouds and writing, math concepts, encourages curiosity in the sciences, arts, and technology.

This program is a full day program, five days per week for 3 & 4 year olds. Class size is limited to 20 students per classroom which will include a full-time teacher and part-time aide support.

There is a morning half day option available with our half day students in the same classrooms as our full day students. The morning is the academic portion of our preschoolers day which includes circle time, phonics, counting/math, as well as structured play time. The half day preschoolers will be released at 11:00 am.
